

About Us

YANTAI FAST has been in the hydraulic market place for over 50 years since 1973. We specialize in the design and manufacture of hydraulic cylinders and hydraulic power units for various industries, such as construction machinery, agricultural machinery, auto repair ,rubber machinery and eco-environmental industry, etc.

YANTAI FAST is dedicated to improving quality, delivery and management year by year. YANTAI FAST is a good partner not only because our products can meet your needs but also because we would like to grow up with you.

MILESTONES

- 1973, Yantai Penumatic Works
- 1989, Second Class National Enterprise
- 2000, ISO9001 by DNV
- 2001, Yantai Future Automatic Equipments Co.,Ltd
- 2010, National High-tech Enterprise
- 2012, Famous Brand for Hydraulic Cylinder
- 2014, Provincial Engineering Research Center
- 2014,ISO/TS16949 Certificate
- 2015,IPR Certificate by SIPO according to GB/T29490-2013 standard
- 2016, Hydraulic cylinder supplied for US famous car lift manufacturer, 200000 cycles life test finished
- 2017, Certified by new version of ISO9001:2015
- 2018, We produce totally 200,000 pcs hydraulic cylinders for the first time. The production capacity can reach 400,000 pcs hydraulic cylinders
- 2019, New PLM & ERP System
- 2020, Supplier of XCMG
- 2022, Provincial Gazelle Enterprise

In 1973, the first Chinese pneumatic cylinder was born in Yantai FAST
